Rezoning:

#Z-24-35: Matthew Bonadies requested rezoning for the property located at 4815 South Lee Street from C-2 to R-100. Mitch Peevy spoke on behalf of the applicant and stated there are two (2) small homes on the property. He stated that the homes are too small for commercial use and would like to rezone to R-100 and the applicant will live in one home and use the other home as a rental property. No one spoke against the request. Motion by Mr. Burge, seconded by Mr. Weeks to approve the request with the following conditions:

1. There shall be two platted lots for the homes as submitted with the application.
2. Exterior of homes shall be 4 sides brick and prior to occupancy.
3. Fence shall be wrought iron with columns per Buford standard.

#Z-24-36: Jimmy Hill requested rezoning for the property located at 813 West Shadburn Avenue, out of parcel 7-293-077, containing 0.048 acres from C-2 to R-100. The applicant was present and explained the request to the Board. He stated he is proposing to add this 0.048 acres to the adjacent tract at 55 Rowe Street to increase lot size for two single-family residential homes. No one spoke against the request. Nina Holladay, 873 Shadburn Avenue, stated that she wanted to keep the existing fence and not replace. Motion by Mr. Weeks, seconded by Mr. Burge to approve the request with the following conditions:

1. Plats for Tract #1 and Tract #2 at 55 Rowe Street need to be provided and approved by the Planning Director.
2. 873 Shadburn Avenue may keep the existing fence in the rear yard. If the fence is replaced between the property at 873 Shadburn Avenue and 55 Rowe Street, the fence shall be set back a minimum of 20 feet from the right-of-way of Rowe Street.
3. New homes on 55 Rowe Street shall have a minimum gross heated floor area of 2400 square feet exclusive of garages or basements.

#Z-24-37: Gravel Springs Properties, LLC requested a rezoning request at 2739 South Waterworks Road, out of parcel 7-328-008, containing 0.67 acres from R-100 to C-2. Dale Brown spoke on behalf of the applicant and stated the property would be developed as a parking area with a proposed office building in the future. No one spoke against the request. Motion by Mr. Burge, seconded by Mr. Weeks to approve the request with the following conditions:

1. Per the City of Buford Zoning Ordinance Section 605-606, minimum undisturbed buffer requirements, C-2 zoned property shall provide a minimum of 75-foot undisturbed buffer for screening adjacent to residential. The applicant shall replant areas that are void of vegetation for effective screening. The final plan is to be reviewed and approved by the Planning Director.

2. Vehicular parking shall be within designated striped parking and loading spaces and parking on grassed areas or within the fire lane is prohibited.
3. No business-related parking shall be located on any public street.
4. The proposed site improvements shall be in compliance with the City's stormwater management regulations.

#Z-24-38: Tipton Development, LLC requested rezoning for the property located at 2789 South Waterworks Road, out of parcel 7-328-006A, containing 1.381 acres from C-2 to R-100. Tip Cape spoke on behalf of the applicant and stated they are requesting to rezone the tract to R-100 and propose to subdivide into three (3) single-family residential lots. No one spoke against the request. Motion by Mr. Burge, seconded by Mr. Weeks to approve the request with the following conditions:

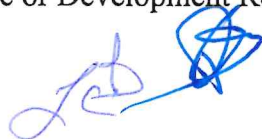

1. The applicant shall submit a minor subdivision plat substantially similar to the plat provided with the application with the concurrent variances for each of the three lots to reduce the lot width of Lot #1 from 100' to 86.52', Lot #2 from 100' to 86.54' and Lot #3 from 100' to 86.52'.
2. The applicant shall provide a house location plan with the building permit application to be approved by the Planning Director.
3. The proposed new homes shall be constructed with four (4) sides of 80% brick or stone with accents not to exceed 20% on each elevation. Accents shall include brick, stucco, rock, shakes, hardiplank, and concrete siding as approved by the Planning Director.
4. All front, side and rear yards shall be sodded and shall have two (2) 3-inch ornamental trees planted in the front yard.
5. The new homes shall have a minimum gross heated floor area of 3400 square feet exclusive of garages or basements. The new home shall have a minimum of two (2) car garages.
6. The driveway shall be a minimum width of 18 feet.

Special Use Permits:

#SUP-24-32: Panda Express requested a special use permit for the property located at 4966 Lanier Islands Parkway, out of parcel 08-157-000001, Tract One B. The special use permit requested is to allow a drive-thru service. Mitch Peevy spoke on behalf of the applicant. He stated they are proposing a drive-thru window and are also asking for a variance to allow a flat roof, metal awning and decorative metal accents with lighting on the building. No one spoke against the request. Motion by Mr. Weeks, seconded by Mr. Burge to approve the request with the following conditions:

1. The special use permit applies to the Panda Express and at such time in the future Panda Express vacates the site this special use permit expires.
2. The approval of this special use permit does not provide relief of any requirements of the Zoning Ordinance or Development Regulations.

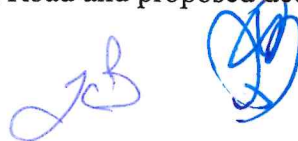

3. The final site plan shall be substantially similar to the plan submitted with the special use permit. The final site plan shall be reviewed by the Planning Director.
4. The approval of allowing the use of a combination of pitched and flat roof building design instead of a pitched roof. To allow the metal awnings over the entry doors, the final architectural plans shall be submitted for review and approval by the Planning Director.
5. Cross access agreement to be in place prior to development.
6. To allow a red strip outline accent on the building only.

#SUP-24-33: Vermeer Southeast Sales & Service, Inc. requested a special use permit for the property located at 4538 Thompson Mill Road. The special use permit requested is to allow an equipment sales and service facility. Mitch Peevy spoke on behalf of the applicant. He stated this would be equipment sales and service. No one spoke against the request. Motion by Mr. Burge, seconded by Mr. Weeks to approve the request with the following conditions:

1. Special use permit SUP-24-33 does not include concurrent variances to Buford City Code where the provided site plan is not in conformity unless specifically addressed.
2. To allow tilt-up concrete construction with architectural features as required by the Zoning Ordinance Section 1316 for the 22,200-square foot main building, a complete set of building elevations need to reviewed and approved by the Planning Director.
3. Architectural plans shall be provided for washing facility (1,500 SF) and storage structure (3,300 SF) with pitched roof, minimum pitch of four (4) in twelve (12) per Section 1316.A. Canopy structure next to the proposed main building needs to be labeled and provide architectural plans. All architectural plans need to be reviewed and approved by the Planning Director.
4. Wash facility must be tied to sanitary sewer system. No wash water to enter the stormwater management system.
5. To allow a black metal decorative fence with brick columns within the front yard and black vinyl coated chain link fence along the sides and rear of the property. Shall allow a guardrail located behind the black metal decorative fence and brick columns.
6. The site shall include a 15' enhanced landscape strip adjacent to Thompson Mill Road. The landscape strip shall screen the site with various evergreen trees and shrubs. Landscape strips shall not be encroached with walls, easements, parking, curb and gutter, retaining walls or any other site improvements. The entrances can encroach the landscape strip as close as perpendicular as possible. The enhanced landscape plan shall be designed and sealed by a Georgia registered landscape architect and approved by the Planning Director.
7. In place of the required 75' undisturbed zoning buffer, the applicant shall provide 6' opaque fencing, and 10' height evergreen tree plantings adjacent to the rear property line. The landscape plan shall be designed and sealed by a Georgia registered landscape architect and approved by the Planning Director.
8. Sidewalks and curb & gutter are required to be located adjacent to the full amount of road frontage at Thompson Mill Road and proposed deceleration lane.

9. Traffic study is required, signalized intersection may be necessary for the main entrance. Elevations required for review by the Planning Director for both entrances.
10. Asphalt and/or concrete outdoor storage areas shall be allowed per the site plan submitted with the application for equipment that is for sale or lease. No accumulation of junk equipment or parts shall be on the property at any time.
11. The final site plan must be approved by the Planning Director.
12. The development shall have two (2) access drives onto Thompson Mill Road.
13. All service or repairs of equipment shall be performed inside the building.

#SUP-24-34: BBC Investment Group, LLC requested a special use permit for the property located at 79 Moreno Street, being parcels 7-295A-35 and 7-295A-128. The special use permit requested is to allow secondary residential units. Mike Phelps spoke on behalf of the applicant. No one spoke against the request. Motion by Mr. Weeks, seconded by Mr. Burge to approve the request with the following conditions:

1. The development shall consist of six (6) retail units on the first floor and up to 12 two-bedroom residential units. Occupancy of residential units shall be limited to fifty-five (55) and older as provided by O.C.G.A.
2. The applicant shall submit a complete site plan and an enhanced landscape/hardscape plan for review by the Planning Director showing harmony with the historic downtown character prior to the submittal of the land disturbance permit application.
3. Site plan shall be substantially similar to submitted plan at the Commission meeting and subject to final approval by the City Manager
4. Prior to issuing any subsequent permits, the applicant shall submit updated architectural elevations similar to the architectural illustrations provided with the special use permit application. The architectural elevations shall incorporate features found on buildings in and around Main Street or similar historic architectural elevations in character with the area with labels of materials. The final architectural plan shall be approved by the Planning Director.
5. To reduce the side setbacks up to 0' subject to the approval of each property owner and as approved by the City.
6. To provide steps for pedestrian access to Moreno Street sidewalks.
7. Homeowner's Association protective covenants, conditions and restrictions required, subject to the approval of the Planning Director. Rentals shall be no more than 50% of the recorded development.
